DESCRIPTION

Learn how to draw two animals from one cartoon. You'll be amazed when you create a frog that turns into a giraffe!

MATERIALS

- pad of paper
- pencil
- marker
- colored chalks or colored pencils
- eraser

DIRECTIONS

1. Draw a curved line for the leg, body and face, and draw eyes coming out from top and behind the other.
2. Draw teardrop shapes, and lollipop shapes behind him for flowers.
3. Make wavy lines on the right for pond and a fly next to his eyes.
4. Turn the picture on its side and you'll see a giraffe!
