## DIRECTIONS

1. Write the letter "h" – lowercase.
2. Put a circle for his nose inside the curve.
3. Draw in a big smile and make a lighter line for his makeup.
4. Use vertical dashes for his eyes and draw 2 lines going across the center.
5. Use upside down "V's" for eyebrows.
6. Connect the bottom of the "H" for his chin.
7. Make really big floppy ears on each side with small earlobes. Draw little curved lines for details inside.
8. Draw loose surly strokes for his hair. Make it look like clouds. You can even put detail inside.
9. Draw a wavy line for his collar. Double the line.
10. Draw a line from the top of the "H" to the top of his head to make a party hat. Draw a pom-pom on top.
11. Color his hair reddish orange. Use red for his lips, and nose, leaving some white space to show shine. Use blue for his collar, and hat.
12. Write "HA HA HA" in red to show that he's laughing.
