

## DESCRIPTION

Doodle tricks are downright fun! Learn how to turn the letter L into a lovely bird!

## MATERIALS

- pad of paper
- pencil
- marker
- colored chalks or colored pencils
- eraser

## DIRECTIONS

1. Write the letter "L" in script. Put an eye in the top loop.
2. Cut in half, draw in eyelashes, and darken in eye.
3. Draw a long, curved line to create a beak, and make a smile inside. Draw a dash above where smile ends.
4. Draw a curved line for the body and ovals for feet, using the bottom line of the "L" as a perch. Draw long, twirly hair on top of his head.
5. Use purple for body, yellow for his beak and feet, and light blue for hair and feathers.
