

CRAFTS

WHEELS & WINGS: BOOMERANG

www.activitytv.com

DESCRIPTION

The fun will keep coming back again and again with this boomerang craft.

MATERIALS

- Foam poster board
- Colored markers
- 2 Rubber bands
- X-acto knife
- Ruler

DIRECTIONS

1. Trace out two 2-inch long, 1 foot wide rectangles out of a piece of foam poster board with a ruler.
2. Cut out the rectangles with an X-acto knife.
3. Decorate the rectangles however you'd like using markers.
4. Tie the two rectangles together with one rubber band, then arrange them into a cross and secure them in that formation with another rubber band. Then try it out by giving it a good throw!
