

DESCRIPTION

This little monster is sure to be a treat magnet on Halloween night!

MATERIALS

- orange bag
- glue
- scissors
- black puff paint
- felt colors: green, black, white, grey

DIRECTIONS

1. To make his head, cut 1 piece of green felt into an oval shape and glue it onto your bag. Do this by rounding off the edges of a rectangular shape.
2. Cut jagged hair from black felt and glue on top of head.
3. Cut a smaller rectangle from green felt for the neck and glue under chin.
4. Cut 2 squares and make them into half circles for ears.
5. For eyes, cut the shape of the number 8 out of a rectangle of white felt.
6. Cut 2 bolts from grey felt.
7. Glue everything down onto your bag.
8. Paint on pupils, eyebrows, nose, and mouth with black puff paint. Set aside to dry for about an hour.
