

DESCRIPTION

Hop into Halloween with this fun frog costume!

MATERIALS

- green hooded sweatshirt
- black leggings
- black shoes
- green felt
- yellow felt
- scissors
- glue
- styrofoam ball
- 2 blue pipe cleaners
- green foam
- yellow sticky foam
- elastic string
- knife
- safety pin
- marker

DIRECTIONS

1. Cut an egg shape out of yellow felt for your belly.
2. Cut long strips out of green felt and then cut them into squares. Cut them into 15 or 16 green warts. Glue everything down to your sweatshirt. Trim along zipper of hoodie before glue dries if needed. Flip hoodie over and attach more warts.
3. Cut the styrofoam ball in half and poke a hole in each half with scissors for pupils. Stick a pipe cleaner through each half ball to form the pupils.
4. Cut 2 holes into the hood of your sweatshirt. Attach each eyeball using the remainder of each pipe cleaner. Poke each pipe cleaner through hood of sweatshirt and secure with a twist. Add a few more warts to the hoodie and set it aside to dry for about an hour.
5. Cut 2 rectangles out of green foam, and draw out the shape of each hand. Cut hands out, and cut small circles out of yellow sticky foam and stick them on the frog hands.
6. Cut about 6 inches of elastic. Poke 2 holes in frog hands with a pin and thread elastic string through holes. Tie the string in a knot and slip them onto your hands!
