

DESCRIPTION

Nothing says I love you like a homemade card! This Valentine's Day show your family and friends how much you care by making them homemade valentines!

MATERIALS

- pink & red sticky felt
- silver doily
- white heart-shaped doily
- glue
- red heart jewels
- red permanent marker
- scissors

DIRECTIONS

1. Glue your white heart-shaped doily to your pink sticky felt.
2. Cut around the shape of the doily to make a heart out of your felt.
3. Remove the backing of your sticky felt and attach it to the center of your silver doily. If the felt doesn't have a sticky back, you can use glue.
4. Use your red marker to write "Happy Valentine's Day!" across the white doily.
5. Next, use glue to attach jewels all over your white doily for decoration. Let it dry for 10 minutes and then give it to a friend!
