

## DESCRIPTION

Show your Pilgrim pride by creating a cool place mat in honor of their voyage to Plymouth Rock!

## MATERIALS

- blue vinyl place mat
- green, brown and white shelving paper
- scissors
- black permanent marker
- silver marker

## DIRECTIONS

1. Put your blue place mat on top of green shelving paper, and trace around. Cut the outline out.
2. Use a black marker to trace out an Old World and New World on shelving paper. You can look at a map to get a better idea of what this would look like.
3. Cut out the land shapes and stick them on.
4. Draw and cut out a boat out of brown paper and place it on the mat, sailing from the Old World to the New World.
5. Cut out 3 sails out of white shelving paper and stick them onto your boat.
6. Draw in the masts of the sails with a marker.
7. With a silver marker, draw a key that shows North, South, East, and West. Draw arrows and label them.
8. Write "Pilgrim's" and "Voyage" on the bottom left and right corners with silver marker.
