3. Squeeze a bunch of glue onto tan felt and sprinkle gold glitter onto the top. Shake excess glitter onto your piece of paper.
4. Trace slice over white felt to see how much cheese you need. Cut out your triangle of cheese and glue it onto your red slice.
5. Cut out red sticky foam into small circles to look like pepperoni, white foam for mushrooms, and green foam for green peppers.
6. Coat your peppers with glue and smooth it out. Cover them in green glitter and shake off the excess. Set them aside to dry for 20 minutes.
