

DESCRIPTION

You'll be in the doghouse without this Puppy Party craft! Join host Lisa Bleyaert as she shows you how to make a cool Doghouse for your favorite pooch. Now your little pup can have a party pad, too!

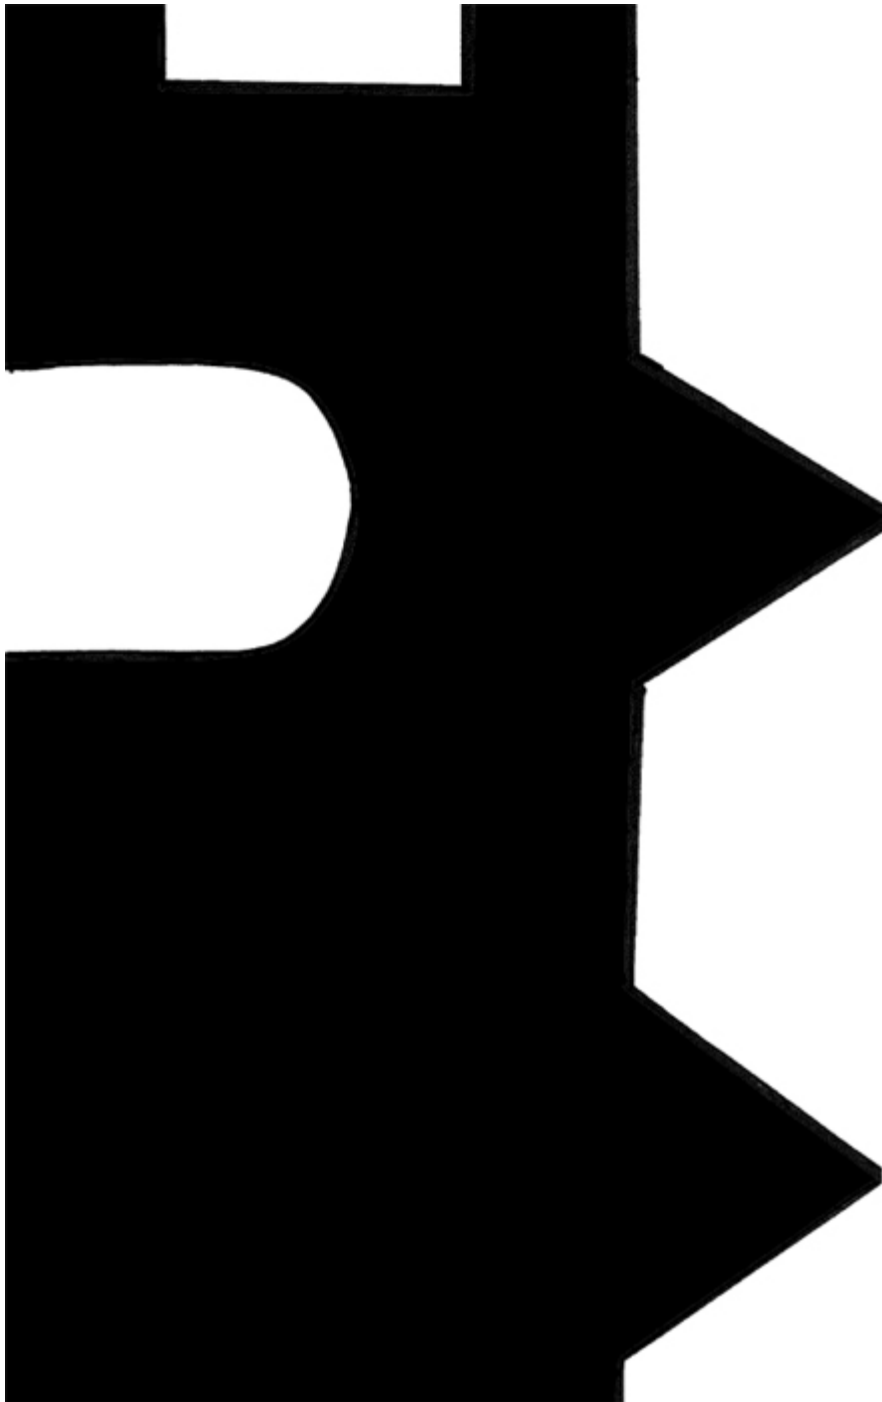

MATERIALS

- White poster board
- Red card stock
- Pencils
- Colorful markers
- Scissors
- Tape
- Template

DIRECTIONS

1. Print and cut out your dog house template.
2. Trace the template onto your poster board and cut it out.
3. Decorate your cut-out house using your markers. You can also use crayons and or stickers if you want.
4. Time to fold your decorated house into shape. Turn it over and fold the tabs over. From there, make a fold at the start of the first triangle. Fold the other end into the other corner of the same triangle. Finally, make a fold into the other end of the second triangle.
5. Fold the house together into a box and seal it together on the inside with tape at the tabs.
6. Now all you need is a roof. Fold your red card stock in half, making the corners meet. You can also use another color if you prefer.
7. Place the folded card stock over the triangles of your house and secure it with tape on the inside. Place your stuffed puppy inside and you're done!
