MATERIALS

- Round cupcakes
- White frosting
- Red detail icing
- Knife

DIRECTIONS

1. Cover the tops of your pre-baked cupcakes with frosting. For this example, you'll be using white frosting to make baseball cupcakes but you can also use orange frosting for basketballs or yellow or green frosting for tennis balls. Spread the frosting over the cupcakes with a knife.
2. Use your knife to smooth out the top of the frosting to give it a round surface on the cupcakes.
3. Use red detail icing to make two half circles on the outsides of the baseball. Make v-marks down these lines with the icing to make the stitching.
4. Repeat these steps to make as many cupcakes as you need for your party guests!
