

DESCRIPTION

If you stalk the night looking for victims to bite, you are going to want to look the part, right?! Let Lisa and Lucas show you how to transform yourself into a Vampire!

MATERIALS

- black face paint
- light blue face paint
- red face paint
- makeup sponges
- eyeshadow wand
- fake blood
- fake teeth
- cotton swabs

DIRECTIONS

1. Lightly coat face with light blue face paint.
2. Create a widow's peak with black paint.
3. Create dark circles around eyes with black paint.
4. Accentuate cheekbones with black paint. Draw on a line with your wand and blend the face paint in with a makeup sponge or your finger.
5. Use the makeup sponge to apply black eyebrows.
6. Paint on red lips like lipstick.
7. Add a little bit of black to your lips.
8. Add fake blood coming from mouth.
9. Put on vampire teeth.
