

DESCRIPTION

You'll be at the head of the class with this smart gift! Some chalkboard paint, cool decorations and a wooden board are what you need to start this project.

MATERIALS

- craft paper or newspaper
- chalkboard paint
- paintbrush
- 12x12 wooden board
- buttons
- glue
- wall hooks

DIRECTIONS

1. Lay down craft paper or newspaper.
2. Paint your board with black chalkboard paint. Just give it a couple of coats and let it dry for about 6 hours.
3. Ask an adult to help you attach some wall hooks to the top of your board.
4. Once your hooks are in, you can start decorating! A good idea would be to make a border around the edges of the board with buttons, but you can use whatever you like...just create a theme and decorate accordingly.
