

DESCRIPTION

Learn how to make a sizzlin' safety pin bracelet. Safety pins and beads are all you need to make this bangle.

MATERIALS

- white, red, and yellow pony beads
- safety pins
- elastic cord
- scissors

DIRECTIONS

1. Place 6 beads on each safety pin in the pattern in the printed instructions.
2. Take the color farthest to the right (for this demo it is blue) and create a backwards "4" over the other two colors.
3. Thread a piece elastic cord through the small holes in safety pins' bottoms and one cord through the top clasps.
4. Tie each cord together & you've got it!
