

DESCRIPTION

Get ready to impress your friends and family with a cool holiday paper project! Join in on the fun as Origami instructor, Michael LaFosse shows the step by step folds for an amazing holiday wreath! It's a perfect gift for your favorite teacher.

MATERIALS

- 13 pieces of square origami paper, all the same size

DIRECTIONS

1. Take the bottom right corner and fold into the closest crease not middle. Repeat with left corner to its closest crease.
2. Turn paper 90 degrees.
3. Take bottom edge of rectangle and fold up to the top edges of the triangle.
4. Take the new bottom edge and fold up to the same spot.
5. Unfold the bottom rectangular portion note that it is divided into equal quarters by three creases.
6. Bend rectangular paper so that the top crease is now the bottom you will now note 3 rectangles divided by 2 creases.
7. Fold the right and left corner triangles over paper completely so that you have a smooth edge.
8. Fold the bottom part straight up along the bottom of the triangle. It should look like a hat.
9. Fold each side up along the 2 middle creases so that you piece is no longer flat keep the long folded edge on the outside.
10. To put the wreath together, take the rectangular tab of piece and push it into the pocket (on the side of the nose) so that the tab is under both edges.
11. Tuck the other tab into the pocket on other side of the nose.
12. When all pieces are attached be sure to push them closed and secure.
