

PAPER AIRPLANES

LOCK-NOSE DART

www.activitytv.com

DESCRIPTION

Would you like to learn how to make a championship performer that's really easy to fold? Well then you'll love this paper airplane! Join in the fun as expert airplane maker, Michael LaFosse, shows us the step by step folds for this awesome plane!

MATERIALS

- 8.5 x 11 sheet, any coloring

DIRECTIONS

1. Take a 8.5 x 11 sheet, any coloring.
2. Lay it down flat, the long way.
3. Match edges and fold.
4. Turn so that the folded edge faces upward.
5. Roll both edges of the triangle to form a nose.
6. Open up all folds from bottom.
7. Flatten bends.
8. Roll up nose to touch the center crease.
9. Fold airplane in half from wing to wing.
10. Fold tabs inside nose.
11. Fold wings down.
12. Grab back edge and make a R.A.T fold.
13. Both wings should make a "y."
