DESCRIPTION

Get ready to make a jet that's fun to launch by the fistful! Join paper airplane guru, Michael LaFosse, as he guides us through the step by step instructions for this awesome glider! It's easy to make and great for celebrations!

MATERIALS

- a square piece of paper 6 inch, white side up, facing up as a diamond shape

DIRECTIONS

1. Take a square piece of paper 6 inch, white side up facing up as a diamond shape.
2. Fold in half bottom to top.
3. Bring in right corner up to top corner, repeat with left corner, and unfold again noting crease in the bottom edge.
4. Turn right and left corners into middle point, then unfold.
5. Push each side triangle up then fold at bend into the pocket (you should have a two toned diamond).
6. Turn the paper 90 degrees.
7. Curl bottom corner to middle fold.
8. Turn 180 degrees.
9. Flip paper over and hold so edges are top to bottom.
10. Fold bottom edge to top and then open.
