

DESCRIPTION

Want a cool place for all of your favorite bugs to stay? Well then join host Lisa Bleyaert as she shows you how to make a bug motel!

MATERIALS

- 1 oatmeal container
- 2 paper towel rolls
- plate
- black paint
- white paint
- paintbrush
- exacto knife
- scissors
- twine
- tape
- ruler
- screen

DIRECTIONS

1. Remove oats and label from oatmeal container.
2. Cut tops of paper towel tubes to look turrets.
3. Cut windows and the door/drawbridge out of oatmeal container. When cutting door make sure not to cut the bottom!
4. Cut large panel out of the back.
5. Glue paper towel tubes to oatmeal container.
6. Set aside to dry.
7. Paint entire castle gray.
8. Draw on bricks.
9. Tape twine onto drawbridge.
10. Cut screen - 16" x 8.5".
11. Nestle screen inside.
12. Put on lid.
13. Find grass, twigs and bugs!
