### DESCRIPTION

Make a dream catcher with things you can find around your house! Join host Lisa Bleyaert as she shows you the steps to making this cool Native American piece of art!

### MATERIALS

- wire or thin branch
- twine
- beads
- feathers
- scissors

### DIRECTIONS

1. Tie wire or branch in a circle.
2. Cut a piece of twine 4 feet long and tie it to the circle.
3. Wrap the twine around the circle four or five times at various points along the circle.
4. After a full round, weave the twine into the layer of string you've created. Your weaving should begin to resemble a web.
5. Add beads for flare!
6. Continue weaving until you have a full web and tie off the end in the center.
7. Cut off any excess.
8. Cut 2 pieces of twine, a foot long and the other a little shorter.
9. Attach pieces to circle and add beads and feathers.
10. Tie a piece of twine to the top as a hanger.
