### MATERIALS

- brush
- 4 hair bands
- 2 scrunchies

### DIRECTIONS

1. Separate hair into 2 sections using a comb. Gather the left side at the base of the neck and tie off in a low ponytail.
2. Pull the band down a bit, create a hole, and pull ponytail through.
3. Fluff your ponytail, create 3 sections and braid hair all the way to the end. Tie off with a hair band.
4. Repeat this process with the right side. When finished, use 2 scrunchies to tie both sides near the flips.
