DESCRIPTION

Hummingbirds are delightful visitors to any backyard and now you can learn how to attract them! Join host Lisa Bleyaert as she shows you how to make your very own hummingbird feeder!

MATERIALS

- white paint
- green paint
- yellow paint
- 1 plastic water bottle
- scissors
- exacto knife
- red cord
- paintbrushes
- 1 plastic container with lid

DIRECTIONS

1. Remove label and cap from your water bottle.
2. Cut an X in the middle of the plastic container lid and 4 small holes around the edge.
3. Stick bottle neck into the middle X.
4. Paint white glow in the dark flowers around the small holes and edge of the container.
5. Make 2 small holes in the top of the bottle.
6. Thread the red cord through the two holes.
7. Tie a knot at the top.
8. Fill with sugar water and hang outside!
