

SUMMER FUN

SEASHELL PICTURE FRAME

www.activitytv.com

DESCRIPTION

A shell frame is a great way to show off your summer photos and host Lisa Bleyaert has a terrific plan for this fun project!

MATERIALS

- sea shells
- 8x10 picture frame
- glue
- 2 sheets fun foam (blue and yellow or any color you like)
- black marker
- gold glitter glue marker
- scissors

DIRECTIONS

1. Cut out coral shapes from yellow fun foam and a fish shape from blue foam.
2. Draw texture on the coral and the face on the fish, using your marker and glitter glue.
3. Glue shells, coral, and fish on picture frame. Let the frame dry for an hour, then insert your favorite summer photo and display it in your room!
