

DESCRIPTION

You can perform awesome stunts and cool aerobatics with this cool plane! Just grab some paper and scissors and you'll be on your way!

MATERIALS

- one 8 1/2" x 11" piece of paper

DIRECTIONS

1. Fold paper in half. Bend top right corner down, and repeat with left.
2. Fold tip down, and fold again 4 more times. Turn your paper over and fold it in half.
3. Cut the outside edge in a heart shape.
4. Turn paper over and fold the top half up, making sure the tail matches up with the folded edge. Repeat on other side. Curve tails up a bit.
